

# EXHIBITS

## FOR THE VISUAL STUDENT

Do you find yourself doodling on the sides of your notes? Do your friends come to you for creative advice? If you answered yes to those questions, exhibit is the category for you! Read below for tips on exhibit creation.

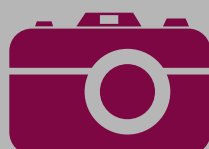

Exhibits can be created individually, or in a group of up to five students.

Boards can include images, maps, and other visual primary sources!

The size limit on an exhibit is 40 inches wide, 30 inches deep, and 6 feet tall.

All images must be credited on the exhibit board and in the annotated bibliography.

Don't forget that in addition to creating your exhibit board, you will need to write a process paper and an annotated bibliography.

Exhibits have a word limit of 500 student-composed words.
